1 Safety information

Headphones can deliver sounds at loud volumes and high-pitched tones. Exposure to such sounds can result in permanent hearing loss or damage. The volume level may vary based on conditions such as the phone you are using, its reception and volume settings and the environment.
Please read the safety guidelines below prior to using these headphones.

- Prior to using this product follow these steps:
  a) Before putting on the headphones, turn the volume control to its lowest level.
  b) Put the headphones on.
  c) Slowly adjust the volume control to a comfortable level.
- During the use of this product:
  a) Keep the volume at the lowest level possible and avoid using the headphones in noisy environments where you may be inclined to turn up the volume.
  b) If increased volume is necessary, adjust the volume control slowly.
  c) If you experience discomfort or ringing in your ears, immediately discontinue using the headphones and consult a physician.
- With continued use at high volume, your ears may become accustomed to the sound level, which may result in permanent damage to your hearing without any noticeable discomfort.

⚠ CAUTION

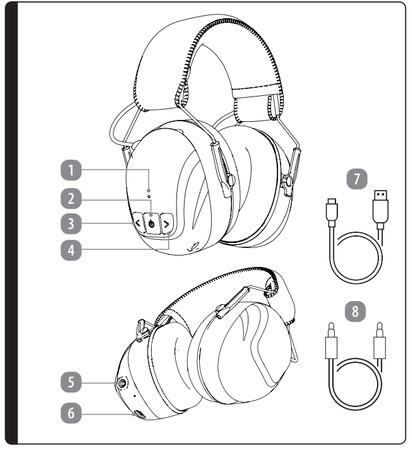
» Using the headphones while operating a motor vehicle, motorcycle, watercraft or bicycle may be dangerous, and is illegal in some jurisdictions. Check your local laws. Use caution while using your headphones when you are engaging in any activity that requires your full attention. While engaging in any such activity, removing the headphones from your ear area or turning off your headphones will keep you from being distracted, to avoid accident or injury.
» If you have a pacemaker or other electrical medical devices, you should consult your physician before using the product.
» Never try to dismantle the product yourself, or push objects of any kind into the product, as this may cause short circuits which could result in a fire or electric shock.
» None of the components can be replaced or repaired by users. Only authorized dealers or service centres may open the product. If any parts of your product require replacement for any reason, including normal wear and tear or breakage, contact your dealer.
» Avoid exposing your product to rain, moisture, or other liquids.
» If the product overheats, has been dropped or damaged or has been dropped in a liquid, discontinue use.
» Dispose of the product according to local standards and regulations.
» When you disconnect the power cord or any enhancement, grasp and pull the plug, not the cord. Never use a charger that is damaged.
» Attention should be drawn to the environmental aspects of battery disposal.
» The use of apparatus in moderate climates.
» The battery of the headphones cannot be replaced by the user.
» **Warning:** Do not touch the leaking battery fluid, as it may be corrosive or toxic.
» **Handling Recommendation:** If battery leakage is detected, users are advised to wear protective gloves to avoid direct contact and dispose of the battery safely in accordance with local regulations.
» **Emergency Measures:** In case of contact with skin or eyes, rinse immediately with clean water and seek medical assistance.
» **WARNING:** The reported noise attenuation will be obtained only when the hearing protector is in good condition and worn as directed.
» **WARNING:** Noise reduction will be adversely affected by anything that impairs the seal of the earmuff cushions against the head, such as thick spectacle frames, balaclavas or similar items.
» **WARNING:** Earmuff cushions may deteriorate with use. Inspect regularly and discontinue use if the cushions are damaged or no longer provide an effective seal.
» This product contains a non-replaceable battery.

CAUTION: RISK OF EXPLOSION

» Do not dispose of a battery into fire or a hot oven, or mechanically crush or cut a battery, that can result in an explosion;
» Do not leave a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas
» Do not expose the battery to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas
» Do not used in low air pressure at high altitude condition.
» Do not used in low extreme temperatures.

- High sound pressure
- Hearing damage risk
- Do not listen at high volume levels for long periods

2 Product Overview



1. LED Indicator
2. Power/Multifunction Button
3. Volume Down Button
4. Volume Up Button
5. 3.5 mm AUX Input
6. USB Type-C Charging Port
7. USB Charging Cable
8. 3.5 mm Audio Cable
9. User Manual*
10. Warranty Card*

*Not pictured

3 Charging

Before first use, fully charge the Wireless Hearing Protector.

1. Connect the Type-C end of the supplied charging cable to the USB Type-C Charging Port on the hearing protector.
2. Connect the other end of the charging cable to a suitable 5V DC 1A power source.
3. The LED Indicator will show a steady red light while charging.
4. The LED Indicator will turn off when the hearing protector is fully charged.

NOTE

» A flashing red light indicates a low battery.

4 Power On/Off

Power On
Press and hold the Power/Multifunction Button for approximately 2 seconds to turn on the hearing protector.

Power Off
Press and hold the Power/Multifunction Button for approximately 3 seconds to turn off the hearing protector.

NOTE

» If no Bluetooth connection is established for more than 5 minutes, or if the battery does not have sufficient power, the headphones will automatically turn off.

5 Pairing

1. Turn on the Wireless Hearing Protection Earmuffs. The LED Indicator will flash red and green rapidly to indicate that the device is in pairing mode.
2. Enable Bluetooth on your mobile device.
3. Select "CE260001" from the list of available Bluetooth devices.
4. Once connected, the LED Indicator will flash green every 5 seconds.

NOTE

» When turned on again, the Earmuffs will automatically reconnect to the last connected device, if available.
» If you experience connection issues, remove "CE260001" from your device's Bluetooth history and try pairing again with the devices positioned close together.

6 Fitting / Adjustment

Place the earmuffs over the ears and adjust the headband so that the ear cushions completely enclose the ears and form a comfortable, even seal around the head.

WARNING

» The reported noise attenuation will be obtained only when the hearing protector is in good condition and worn as directed.
» Noise reduction will be adversely affected by anything that impairs the seal of the earmuff cushions against the head, such as thick spectacle frames, balaclavas or similar items.
» Earmuff cushions may deteriorate with use. Inspect regularly and discontinue use if the cushions are damaged or no longer provide an effective seal.

ALDI guarantees that our products are developed to our stringent quality specifications. If you are not entirely satisfied with this product, please return it to your nearest ALDI store, within 60 days from the date of purchase, for a full refund or replacement, or take advantage of our after sales support by calling the supplier's Customer Service Hotline.

7 Touch Control Function

Function	Action
Play/Pause Music	Press the Power/Multifunction Button once
Volume Up	Press the Volume Up Button once
Volume Down	Press the Volume Down Button once
Next Track	Press and hold the Volume Up Button for 1 second
Previous Track	Press and hold the Volume Down Button for 1 second
Answer Call	Press the Power/Multifunction Button once
End Call	Press the Power/Multifunction Button once
Reject Call	Press and hold the Power/Multifunction Button for 1 second
Activate Voice Assistant	Press and hold the Power/Multifunction Button for 1 second while connected
Deactivate Voice Assistant	Press and hold the Power/Multifunction Button again for 1 second

8 Storage, Cleaning & Disinfection and Maintenance

Storage:
- Store the product in a cool, dry place away from direct sunlight and excessive heat.
- If the product will not be used for an extended period, recharge the product every 3–6 months to help maintain battery performance.

Cleaning & Disinfection:
- Clean the earmuffs regularly using a soft cloth dampened with mild soap and water. Do not immerse the earmuffs in water. Allow the earmuffs to dry completely before use.

Maintenance:
- Inspect the earmuffs and cushions regularly for signs of wear, damage or deterioration. Replace worn or damaged components before use. Do not disassemble or modify the product.

9 Technical Specifications

Bluetooth Version: V 6.0

Warranty Details

REGISTER YOUR PURCHASE AT www.aldi.com.au/en/about-aldi/product-registration/ TO KEEP UP-TO-DATE WITH IMPORTANT PRODUCT INFORMATION

The product is guaranteed to be free from defects in workmanship and parts for a period of 12 months from the date of purchase. Defects that occur within this warranty period, under normal use and care, will be repaired, replaced or refunded at our discretion. The benefits conferred by this warranty are in addition to all rights and remedies in respect of the product that the consumer has under the Competition and Consumer Act 2010 and similar state and territory laws.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

HEARING PROTECTION HEADPHONES
Repair and Refurbished Goods or Parts Notice

Unfortunately, from time to time, faulty products are manufactured which need to be returned to the Supplier for repair.

Please be aware that if your product is capable of retaining user-generated data (such as files stored on a computer hard drive, telephone numbers stored on a mobile telephone, songs stored on a portable media player, games saved on a games console or files stored on a USB memory stick) during the process of repair, some or all of your stored data may be lost.
We recommend you save this data elsewhere prior to sending the product for repair.

You should also be aware that rather than repairing goods, we may replace them with refurbished goods of the same type or use refurbished parts in the repair process.

Please be assured though, refurbished parts or replacements are only used where they meet ALDI's stringent quality specifications.

If at any time you feel your repair is being handled unsatisfactorily, you may escalate your complaint. Please telephone us on 1300 663 907 or write to us at:
