SPORTS ARMBAND AND EARPHONES

### GETTING STARTED

6

Position armband onto your arm and pull strap tight

7

Press firmly on strap to ensure a secure grip

8

Use your phone as usual to select music

**Note:** Sports Armband will only be water resistant if used correctly. Always follow instructions. Ensure your mobile device is adequately covered. Sports Armband is water resistant to sweat, drips and wet weather conditions only. **Do not immerse in water.** The manufacturer is not responsible for any damage caused as a result of improper use. Any physical damage or alteration to the construction of the armband may reduce or negate water resistance.
