IMITATION SECURITY CAMERA 2 PACK

Model Number: IT414071E

GETTING STARTED GUIDE

1. Unpack

- Unpack the Imitation Security Cameras.

2. Connect the batteries

Remove the plastic tabs from the battery compartments.

- The batteries for the bullet camera are located under the sun shade on the top of the unit, as pictured in diagram 2a.
- The batteries for the dome camera are located on the top of the unit, as pictured in diagram 2b.

3. Install Imitation Cameras

- Using the included mounting accessories, fix the Imitation Cameras in your desired location.
- Ensure you put the cameras in a visible area where the flashing light can be clearly seen for maximum effectiveness.

4. Switch Off when not in Use

- If you choose to temporarily stop using the Imitation Security Cameras, ensure you remove the batteries so they do not continue to drain.
