BLUETOOTH[®]
HEADPHONES

Getting Started Guide

1. UNPACK

Unpack your Bauhn Bluetooth Headphones from the packaging and check you have all of the components:

- 1x Bauhn Bluetooth Headphones
- 1x 3.5mm Audio Cable
- 1x Micro USB Cable
- 1x Instruction Manual
- 1x Getting Started Guide
- 1x Warranty Card

2. CHARGE YOUR HEADPHONES

Before first use, it is recommended you charge your headphones for a minimum of 1 hour. Connect the USB charging cable to the port on the bottom of the right ear pad using the included MicroUSB plug. Connect the other end to a spare USB port on your laptop or computer.

2

3. ACTIVATE HEADPHONE PAIRING MODE

While the headphones are off, press and hold the **▶||** button. After 6 seconds, the headphones will enter pairing mode. The headphones will give an audio cue "Power on" and then "Pairing".

Tip: The LED will be flashing blue and red rapidly when in pairing mode

BLUETOOTH[®]
HEADPHONES

Getting Started Guide

4. SEARCH FOR THE HEADPHONES

Activate the Bluetooth feature on your MP3 player or smartphone, searching for the headphones labelled “HE215027”. Pair as per your MP3 player or smartphone’s instruction manual.

5. SUCCESSFULLY PAIR WITH THE HEADPHONES

When the Bluetooth Headphones are successfully paired with your device the headphones will state “your headset is connected”. The LED on the bottom of the ear pad will slowly double-flash blue when connected via Bluetooth.

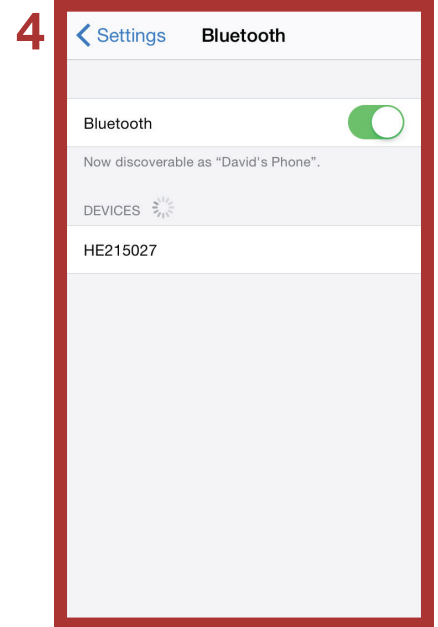

6. START AUDIO PLAYBACK

Start audio playback on your phone or MP3 player. Control the volume and track playback using the control pad located on the side of the right ear pad.

7. POWER ON / OFF

Your MP3 player or phone will remember the Bluetooth pairing with the headphones for future use. After successful pairing, press and hold the **▶||** button for 3 seconds to switch on or off. You will hear the audio prompt “power on” or “power off”.

Congratulations, your Bauhn Bluetooth Headphones are ready to use.
