SOUS VIDE & SLOW COOKER

5.5L REMOVABLE
NON-STICK PAN

Version 1.2

Starting Up

Sous Vide Method

Season & Seal

Season your food with herbs, spices or marinades. Vacuum seal in a pouch to lock in the flavour & juices.

*Vacuum sealer and sealer refill rolls sold separately.

Cook Your Food

Cook your meal at the set temperature in a water bath.

Sear & Serve

Finish your meal in a hot pan to caramelise/brown if desired, then serve.

Slow Cook Method

Prepare Your Ingredients

Prepare your meal according to recipe, brown meats before combining.

Cook Your Food

With ingredients in the pan, cook for set time and temperature.

Serve or Keep Warm

Serve food immediately or keep warm for up to four hours.

*Refer to the Instruction Manual for operation instructions and temperature and time guidelines.
