

# BLUETOOTH® HEADPHONES

HE170144  
08/2019

## GETTING STARTED GUIDE

**1** Before first use, charge your Bluetooth Headphones for a minimum of 1 hour using the supplied Micro USB Cable

**2** Move the Power Switch to the ON position

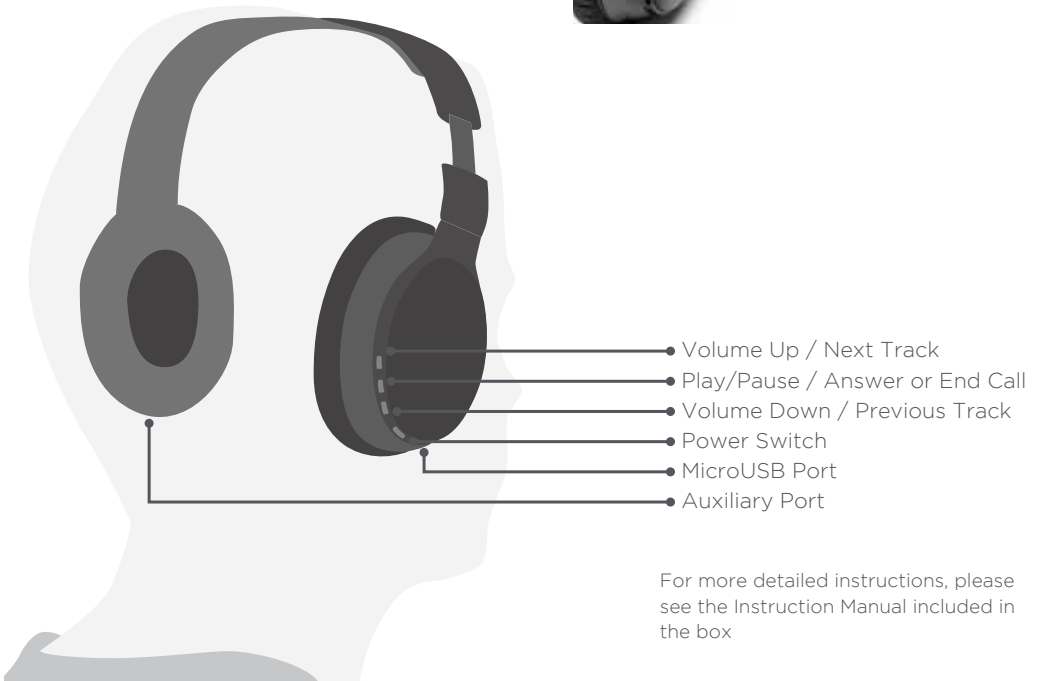

**3** On first use, the headphones will blink to show automatic Bluetooth pairing

**4** On your Bluetooth enabled device, connect to headphones "Bauhn Headphones"

**5** Use buttons on the side of the right ear piece to change volume, track playback and control calls

For more detailed instructions, please see the Instruction Manual included in the box

**BAUHN®**
